What time?

Who informed you of that?

10, we can adjust to 1030 if you need
time to get things together for the visit.

Emily sent an email regarding the court
order for visits has expired.

Ok 10:30 will be better due to the last
minute change, thank you

Ok i will let everyone know

Did Emily say not to have the visits at
my house or she just sent you
regarding court for visits has expired?

Delivered

She stated it has expired, and is now
based on agreement. That's all I know
